

# Transportation

## Scope

When seniors lose their ability to drive, their ability to remain independent in their homes is severely challenged. Yet NR offers no MBTA service or Taxis. The Senior Center does offer some limited access but this is not well known.

## Specific Objectives

- Explore creative ways of providing transportation in N Reading. Ex: Uber, NR Transportation Company, Ride Share, VA Resources (per SM), Asst. living Facility Vans (per JC), Senior Friendly professionals Service Providers, and Regional Transportation Meetings (per MP).
- Advertise every option available.
- Fully understand and advocate for MBTA service in N Reading with Mike G (Town Administrator)

## Challenges

- We need to identify ways to provide immediate substitute transportation options ASAP.
